PLACE OF HEARING:

Phoenix, Arizona

PRESIDING ADMINISTRATIVE

LAW JUDGE:

Marc E. Stern

APPEARANCES:

Mr. Divinti M. Williams, Staff Attorney, Legal Division, on behalf of the Utilities Division of the Arizona Corporation Commission.

## BY THE COMMISSION:

On May 2, 2001, the City of Phoenix ("City") submitted to the Arizona Corporation Commission ("Commission") a request for an Opinion and Order for the approval of an agreement between the City and the Burlington Northern and Santa Fe Railway Company ("Railway") to upgrade the Railway's crossing at the southeast side of 35<sup>th</sup> Avenue, Phoenix, Arizona, at milepost 188.23 ("Application").

On May 8, 2001, by Procedural Order, the Application was set for a hearing on May 24, 2001 and the City was ordered to notify any interested party of the Application and the hearing.

At the outset of the proceeding on May 24, 2001, the witness for the Commission's Utilities Division indicated that the City had failed to provide certification of notice to the Railway and any other interested party of the proceeding by providing them with a copy of the application and the Commission's Procedural Order. Subsequently, the proceeding was continued by Procedural Order and rescheduled for hearing on June 12, 2001, with proper notice to be provided by the City.

On June 11, 2001, the City filed certification that notice had been provided pursuant to the
